STEPS

1 CONSULTATION

We'll sit down together and help you determine your needs, wants, and goals, while offering my personal industry expertise and strategies for bringing your vision to life.

2 PROPERTY

Through vetting every possible home option for you — even exclusive and off-market opportunities — I determine your best options and accompany you in viewing them to make sure everything is above board.

3 PRODUCE OFFER

Once we find the home of your dreams, we'll submit an official offer — including but not limited to sale price, inspection contingencies, and closing costs. The seller then has time to accept, reject, or counter your offer.

With your offer accepted, we enter a 30-day Escrow period. This involves a neutral third party company that holds funds while conducting a thorough underwriting process to ensure all aspects of the contract are upheld properly.

5 CLOSING

Before you know it, your home-buying adventure is complete! I'll be there to hand over the keys to your new home and make sure everything is in order not only now, but in the months and years to come.

DREAM HOME

THE ESCROW PROCESS

WHAT IS AN ESCROW?

Buying, selling, or refinancing real property usually involves the transfer of large sums of money. It is imperative that a natural third party, known as the Escrow Holder handles the transfer of these funds and related documents from one party to another. When opening an escrow for a refinance transaction, the borrower and lender establish the terms and conditions of the loan - it is the responsibility of the Escrow Officer to see that these terms are carried out.

The Escrow Holder impartially carries out all written instructions given by the principals (borrowers). As a natural third party, a Title Company oversees the escrow process to ensure that all conditions are met.

THE ESCROW HOLDER'S DUTIES INCLUDE:

- Serves as the neutral third party and the liaison between all parties involved
- Request a Preliminary Report to determine the status of the title to the property
- Prepares the escrow instructions
- Complies with lender's conditions and prepares necessary documentation
- Request payoff demands for anything to be paid through escrow
- Request the Deed and other related documents
- Receives closing instructions, documents, borrower's funds and reviews file to determine that all conditions have been met
- Closes the escrow
- Disburses funds as authorized by instructions, including changes for title insurance, recording fees, lender fees, and loan payoff
- Issues the Title insurance Policy for the borrower and the lender

WHAT DO I NEED TO PROVIDE?

You may be asked to complete a Statement of Identity as part of the paperwork. Because many people have similar names, the Statement of Identity is used to identify the specific person in the transaction through such information as date of birth, social security number, etc. This information is considered highly confidential.

WHEN DO I SIGN ESCROW INSTRUCTIONS?

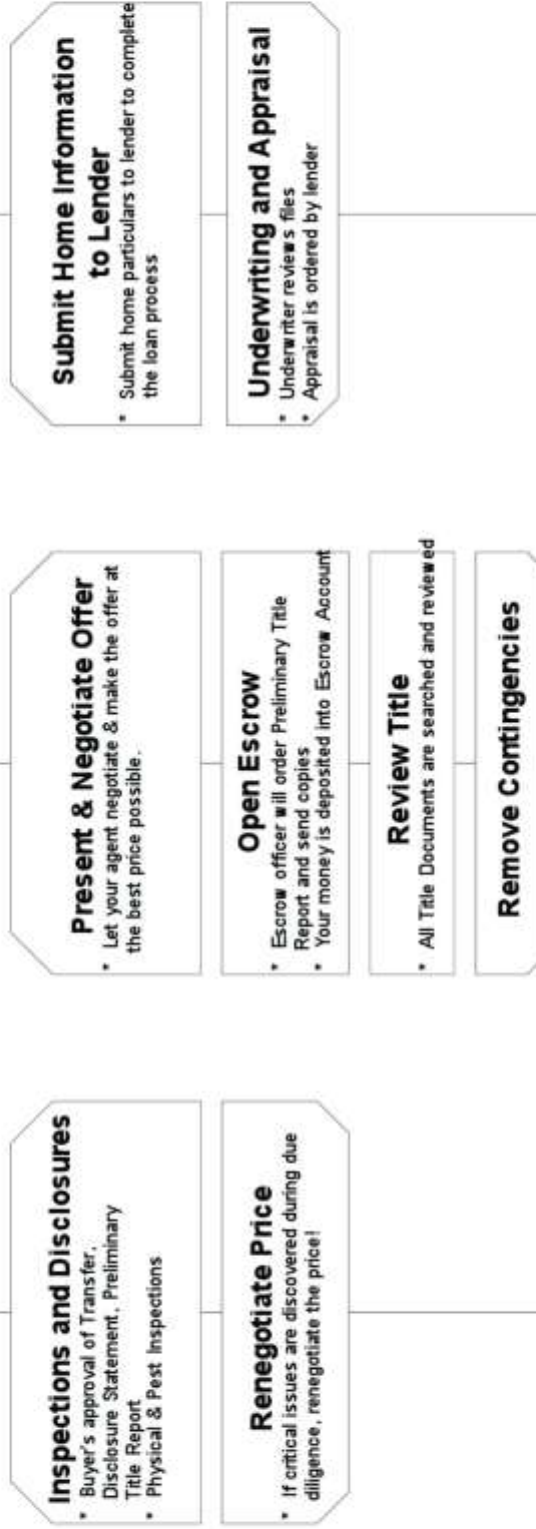

Approximately 4-6 days before closing, the Title Company will contact you or your lender to schedule a signing appointment.
